

3M TR-6710E VERSAFLO PARTICULATE FILTER

TR-6710E 3M™ Versaflo™ Particulate Filter. Our filter is designed to be used with 3M™ Versaflo™ Powered Air Turbo TR-600 and TR-800 Series.

- Provides protections from dust and particulate hazards
- Simple to install
- 3M recommends using TR-6100FC filter cover to help protect TR-6710E particulate filter from physical damage and hold the TR-6600 prefilter or TR-662 spark arrestor in place
- CE approved
