DATASHEET

ANSELL ALPHATEC 58-330 GLOVE SIZE 09 (L)

Product Code AN58-330L

- AlphaTec AQUADRI gloves are engineered with a unique moisture management technology that keeps hands dryer, for significantly longer periods of time.
- The design features a two-layered coating construction with a superior nitrile film for advanced chemical protection and an inner soft foam coating, making a difference especially when sweaty hands are a problem, resulting in an improved user comfort and performance.
- •Patented AQUADRI technology brings a unique performance in moisture management that significantly reduces sweat build up inside the glove under hot & humid environments.
- •High performance nitrile compound offers a far superior snag, puncture and abrasion protection compared with rubber or neoprene gloves
- Reverse lozenge palm finish for improved dry/wet grip
- •Foldable cuff gutter to prevent dripping on the forearm
- 320mm length
- Food safe
- •EN ISO 374-1:2016 Type A Protective gloves against dangerous chemicals and micro-organisms. Terminology and performance requirements for chemical risks, JKLOPT EN ISO 374-5:2016 Protective gloves against dangerous chemicals and micro-organisms. Terminology and performance requirements for micro-organisms risks •EN 388:2016 Protective gloves against mechanical risks 3101X
- Level 3- Abrasion
- •Level 1- Cut Resistance
- •Level 0- Tear Resistance
- •Level 1- Puncture
- •Level X ISO 13997 Cut Resistance
