Vivest Power Beat Semi Automatic Defibrillator Indoor Cabinet Package

Info

We have put together a convenient cost effective tailored bundle for your defib and indoor locked cabinet storage needs,

Vivest Powerbeat X1 Semi-Automatic AED is a slimline and lightweight device making it ultra-portable to any location.

A clear instructional pictogram display and loud verbal commands guides the user making it one of the easiest to use on the market even with no previous training. With complete reliability, daily self-testing ensures device is ready to use and with a protection grade IP55.

The indoor defibrillator cabinet with key lock provides safe and visible storage for AEDs to keep the AED safe from accidental damage. The incorporated shelf allows for storage of additional items.
