Klever Eco Xchange 35 Safety Cutter

KLEVER

- The Klever Eco XChange35™ with Multipurpose Wide Blade Head features a recessed blade with a reusable handle and is the FIRST plastic safety cutter made of recycled material.
- This lightweight yet durable cutter includes a replaceable blade head and integrated metal tape splitter.
- The multipurpose 35 head features a scraper, a tape splitter and a high-quality carbon steel recessed blade.
- Keep the handle, replace the head!
