The 3M PELTOR WorkTunes Pro Headset helps protect you from potentially harmful workplace noise while at the same time enjoy listening to the built in AM/FM radio. The built-in antenna, fast digital tuning and ability to store stations makes the hearing protector flexible and easy to work with.

Benefits

- Protect your hearing and listen to AM/FM radio at the same time with built-in antenna.
- Digital station search and voice guided menu system with announced frequencies
- 3.5 mm listen only stereo input (limited to 82 dB) for connection to external devices (e.g. mobile phone, radio, two-way radio and iPod)
- Auto power off turns headset off after 4 hours of non-use, to save energy and a low-battery warning informs you when to change batteries
- To reduce the corrosion caused by sweat the electronics are located in the outer part of the cup
- Store up to 5 stations on the headset
- 40 hours battery life
