## DATASHEET

**CORESHIELD SMOOTH NITRILE CUT F GLOVE SIZE 07** 

Honeywell

**Product Code** HW26-0913B07

- CoreShield, 13 Gauge HPPE/basalt black liner, smooth nitrile black coating
- Enhanced cut resistance, comfort, ease of selection
- The washability of the glove material means that even after 5 washing cycles, there are no significant changes in performance or size.

  Together, these factors mean that CoreShield™ gloves have a longer life

- Hand and wrist protection
- Touch screen resistive and capacitive
- All in one glove
- CoreShield gloves are certified to STANDARD 100 by OEKA-TEX
- Conforms to EN 388 4X44F
