

Rapid Relief Premium Reusable Cold Compress 5"X 11"

The patent pending Rapid Relief® Premium Reusable Cold Compress delivers quick cold therapy to reduce swelling and provide comfort after an injury. Manufactured with premium fabric and form-fitting gel that remains flexible when frozen, this product is designed to be applied directly to the skin and provide comforting relief, and is available in two sizes.

Features

- Temperature: Delivers approximately 3°C/37°F of cold therapy when stored in freezer
- Contour-Gel technology allows the compress to contour to the body area being treated, yet remain flexible even when frozen
- Direct-to-skin application
- Bi-lingual packaging (English and French)

Applications

COLD THERAPY RELIEF:

- Reducing inflammation, muscle spasms and pain
- Reduction of swelling or bruising from minor injuries
- Helps alleviate headache and migraine pain
