

Rapid Relief Instant Cold Pack with Self Adhering Wrap 5"X9"

The patented Rapid Relief Instant Cold Pack with Self-Adhering Wrap and Gentle Touch technology delivers direct-to-skin cold therapy to reduce swelling and discomfort after an injury. The built-in SelfAdhering Wrap applies an appropriate amount of compression directly, and comfortably, to the injured area.

Features

- Temperature: Delivers approximately 2°C/36°F of cold therapy when activated at room temperature
- Gentle Touch technology delivers direct-to-skin cold therapy
- FTP (fold-to-pop) technology, allowing the user to activate the cold pack simply by folding it in half
- Built-in compression wrap
- Tri-lingual packaging (English, Spanish and French)

Application

- INSTANT COLD THERAPY RELIEF:
- Bruises and swelling
- Muscle spasms and pain
- Headaches and minor injuries
