WSID02

Like our WSID-01, our WSID-02 "Worker Safety" Hard Hat ID is easily fitted to the exterior of each workers hard hat and provides first responders with the wearers vital lifesaving information in the event they are involved in an accident or medical emergency.

Larger than the WSID-01 and as a result can store more information. Features a "data window" that can display the wearers name or site induction details without needing to open the ID sleeve.

Our "Worker Safety" Hard Hat ID (WSID-02) is very versatile and can also be fitted to clothing and other work equipment such as a harness, reflective vest etc. Very durable.
