CM1903

- Clinell Antimicrobial Hand Wipes provide a range of the most effective antimicrobial hand wipes on the market.
- They clean and disinfect hands in one easy step unlike alcohol gel rubs which sanitise hands but are unable to clean them.
- Using a patented formula developed by medical doctors, they work in 10 seconds, killing at least 99.999% of germs.
- Developed for frequent use, conveniently sized, individual sachets are perfect pocket essentials. Great to keep close-by in your bag, car, home or office.
- Clinell Antimicrobial Hand Wipes are dermatologically tested, containing aloe vera and moisturisers to help maintain healthy skin.
