- Clinell Biodegradable Surface Wipes are plastic-free wipes designed for cleaning & disinfecting surfaces and high-touch points, whether at home, in your workplace or on the go.
- Antibacterial wipes which kill 99.99% of bacteria and viruses●, including E. coli, salmonella, MRSA, norovirus, adenovirus, coronaviruses and flu in 30 seconds, offering a fast acting solution that is both tough on germs and gentle on the environment.
- Dermatologically tested to be kind to skin and safe to use on hard, non-porous surfaces.
- Biodegradable within active landfill conditions and complete with recycle-ready packaging.
